

From
Sean Rollins-Bannelly

P.S.
Will always remember you
and recommend your
company to others

To Jordan, June 2012

Dear Jordan,

This note is to thank you for
your guidance and help in
reaching a settlement in
my claim at Small Claims Court.
Your court representative was
excellent too. Please please
thank him for his support.
For the decisions I was making
at the settlement conference.
I would have been lost without
you both.
Sincerely Yours Sean.
