

February 2012

I found Mr. Farkas very professional and a pleasure to deal with. He was highly responsive to any questions and actions that needed to take place. He thoroughly reviewed all the documentation and provided good advice on how to quickly settle the matter. I would recommend him to anyone seeking assistance in Small Claims Court. I wish I had gone to him first instead of trying to settle the matter on my own.

A handwritten signature in cursive script that reads "Brenda".
