Re: Mr. Jordan Farkas

This letter is to thank Jordan Farkas with Mr. Small Claims Court for all his hard work and professional expertise that he provided for my defending claim.

I emailed Mr. Small Claims Court once I had found out I had a claim against me and was very promptly answered back by Jordan Farkas who then guided me via mail/phone for the next 6-7 months. I thought my case and defence was not strong but Jordan always remained calm (which at the time was hard for me to obtain). Jordan Farkas was able to gear me in the right direction with the proper paperwork and he had many excellent legal ideas/directions to defend myself with. I would have never been able to get through this whole ordeal without the help of Jordan Farkas. He is a very efficient and quick worker whom doesn't beat around the bush when it comes to telling you the legal options that you may stumble upon.

I appreciated Jordan's honesty and his great efforts on keeping his clients (myself) feeling 100% at ease with his work. I highly recommend the services of Jordan Farkas with Mr. Small Claims Court and will definitely tell other people about his work if ever needed.

Sincerely,

April Hanicz
