I would highly recommend Mr. Jordan Farkas and Mr. Small Claims Court for any small claims matter in Ontario. I was an out-of-town plaintiff in a 2-year dispute over money that was owed to me. I was able to work closely with Mr. Small Claims Court to quickly obtain a settlement from the defendant for most of the funds owed without having to appear in person. Mr. Farkas was able to accomplish in one week - at a fraction of the cost - what my previous lawyer was unable to accomplish in almost 2 years. I also saved thousands of dollars in unnecessary travel costs. Mr. Farkas gives excellent advice regarding how best to prepare for the settlement conference and trial and, Mr. Small Claims Court's service was definitely worth every penny and then some.
