RE: Outstanding Service & Representation

Jordan,

I just want to thank you for all your hard work and dedication. You have now won two very important matters on my behalf that have saved me a lot of money and also ensured I received the funds I was entitled to.

Overall, it was really great having you represent me; you were prompt with your communication, very aggressive and efficient in your dealings and kept me well informed along the way.

In the past, I found most lawyers difficult to get in touch with and usually very expensive, but your rates were more than reasonable and you proved to be well worth every penny as I came out way ahead.

I will be recommending you to my friends and family in the event that they need representation as I know you will ensure they are well taken care of.

Thank you.

Kind regards,

Tricia Oldfield
President
