Jordan,

I wanted to thank you for the professional services you provided my company for our litigation in small claims court in Toronto. I am very happy to mention we won the case for the full amount plus the judge awarded us full reimbursement of all legal fees associated with your services.

Being out of province, it was the best way for us to make sure this litigation started on the right foot as procedures and forms vary from Province to Province. Your attention to details over the phone and recommendation of a name search helped us get paid in a timely manner after trial.

I highly recommend your services as it was definitely worth the money.

Many thanks,

Greg Charbonneau
