

Testimonial Letter

May 10, 2015

I agreed to write this testimonial letter because of the excellent service provided to me by Mr. Small Claims Court and its staff led by Jordan Farkas. I have not been paid to do this and have no incentive other than wanting others to benefit from this legal service the way I did.

I had a legal issue whereby I was owed money from a real estate transaction. My real estate lawyer recommended Mr. Small Claims Court as the firm to hire for real estate disputes in Small Claims Court. He was right.

Jordan understood the issue within minutes, if not seconds, of my call, recommended the appropriate course of action, took care of the court documentation and ensured I was informed at every step of the way.

Thanks to the sage advice of Mr. Small Claims Court, I ended up obtaining the entire amount of money in dispute.

Jordan takes an actual interest in his clients' money and proved himself to be knowledgeable and experienced.

And, I must add, that I have never even met Jordan in person! This was all done by phone and email!

I highly recommend Mr. Small Claims Court to all individuals and businesses.

Sincerely,
