Attention: Jordan Farkas, Lead Lawyer

Jordan, please accept my sincere thanks for assisting me with a difficult small claims case concerning an unscrupulous contractor. As a result of your knowledge of small claims court rules and the depth of your experience in small claims proceedings, I was able to elicit a settlement agreement from the defendants for 93% of my original claim amount.

The matter was fully resolved without the risk of going to trial, saving me the time to prepare for and attend a trial, and the effort of collecting on a judgement.

Jordan, you are a consummate professional who spent a generous amount of time on the phone with me during the consultation and answered several subsequent emails in an effort to assist me with this case. I am very pleased with the support I received from you and your team and would not hesitate to use your services again, if required, or to recommend your services to others.

Thank you, Jordan.

Sincerely,

Gina Vergilio, Managing Director
