Dear Mr. Small Claims Court,

Thank you very much for all your assistance. Not only did you help me come to a great resolution, but you also followed up with all the administrative issues and complexities to completion. I don't think there's any other law firm that would provide the level of professionalism and service that Mr. Small Claims Court provided.

Thank you Jordan, and the rest of the paralegals and support staff for a job well done! To those reading this, I strongly recommend Mr. Small Claims Court.

Sincerely,

Debra Ross
