Re: Thank you for your small claims court advice and support

Dear Mr. Small Claims Court:

My husband and I are writing to thank you for the wonderful service we were provided during this difficult time. We started by filling out an online consultation form for a free legal advice consultation and were very impressed with your quick response and immediate understanding of our small claims case. While we never expected to proceed throughout the entire case with you, as it turned out, we did, and it was the best decision we could have made. Your Plaintiff's Claim was professional and wonderfully emphasized our arguments. In fact, we feel it is one of the reasons why we won our case. At the settlement conference, we felt at ease with your paralegal who did an excellent job advocating on our behalf. Finally, your trial consultation was unparalleled in terms of quality and effectiveness. Your advice was strategic and bang on, and your ghost-written letters and emails to the Defendant were perfect. Overall, the consulting was clear, smart and affordable, and we felt like you were right there with us in the courtroom! Ultimately, **we won our trial and collected on our judgment almost immediately** (with some extra help from Mr. Small Claims Court to ensure the enforcement was done smoothly). We could not have won our case if it weren't for your vast experience and wonderful support you gave us during our time of need. You are an exceptional lawyer.

Investing in Mr. Small Claims Court's numerous small claims court services reaped fantastic dividends, and we are grateful that you actually cared about us and our case.

Thanks again for all your help.

Sincerely,
