I would and will recommend Mr. Jordan Farkas and Mr. Small Claims Court for any small claims you have in Ontario I was awarded a decent settlement at the settlement conference thanks to the expert advice and claim that Mr. Farkas had set forward to me and the courts. I could have never done as good and may have even lost if it went to court and if I hadn't received his expert advice and experience The cost was way less then I would have paid for lawyers in my own town and his preparation for settlement was excellent. He always works close to his clients and keeps them imformed all the way to the end. Court went smoothly and quickly as I new what to say and when thanks to his advice Don't be afraid to go to small claims if you have to and don't be afraid to contact Mr Jordan Farkas and Mr Small Claims Court you'll be clad you did
