Attention – Jordan Farkas, Lead Lawyer of Mr. Small Claims Court

Dear Jordan,

I would like to take this opportunity to express my heartfelt thanks to you for your very active participation in my venture involving my lawsuit. My wife has also asked that I pass on her sincere appreciation for your efforts in supporting and helping me through this matter and in your attempts to resolve this matter outside of the court system.

Your skill in negotiating with the defendant on my behalf was very much appreciated. I found myself to be in awe on more than one occasion when it came to the correspondence between you and the defendant. Your ability to take control and gain the upper hand became quite apparent very early in the negotiations .

On both a professional and a personal level, I really appreciated the time that you took in helping me resolve this matter, and I am grateful that you were willing to take on my case despite it being on the smaller end of the scale when it comes to lawsuits. I certainly learned a lot about the unique aspects of lawsuits and filing within the small claims court system. (not to mention the crazy hours you keep, e.g. 3 am emails ).

I am currently scheduled to appear in small claims court in the month to follow and feel completely confident in pursuing and obtaining settlement greatly due to you preparing me and all the paperwork required to file.

Again, thanks so much for your enthusiastic participation regarding my claim and concerns.

Please keep in touch

Very sincerely,

Paul Borges
