Dear Mr. Small Claims Court,

I am writing a testimonial letter in appreciation for your excellent customer service.

I am a consultant based in India. 2 clients of mine hired Mr. Small Claims Court for the purposes of getting a refund on hard earned money they had spent. We came across the website of Mr. Small Claims Court and filled out a form to get legal advice. Almost immediately Mr. Small Claims Court made contact with us, and despite the time and location difference, we were able to communicate very effectively.

Mr. Small Claims Court was extremely quick to respond to our emails, and we even had some phone conferences. Ultimately, the matter settled and my clients were able to recover almost all their money with minimal effort. At every step of the way we were advised of the risks and rewards of each step.

We were very pleased with the amazing customer service of Mr. Small Claims Court. Whether you are based in Ontario, United States, Europe, India or anywhere else, if you have a small claims problem in Ontario, you must hire Mr. Small Claims Court.

Thank you Mr. Small Claims Court for all your effort and support.

Sincerely,

*Rashmi Khanna*
